

University of Missouri - Columbia. The Department of Geography invites applications for two tenure track Assistant Professor positions. PhD in Geography is required at the time of appointment, which will be August 2006. Applicants should send a letter of interest describing their research agenda and teaching philosophy, curriculum vitae, and contact information for three references. Review of applications will begin November 15, 2005, and continue until the positions are filled.

Position #1: Physical Geography with supplemental strengths in Spatial Analysis. Candidates are expected to have an active program of research and publication, ability to attract external funding, and evidence of commitment to teaching excellence. The appointees will teach courses in their area of expertise, and should have a research agenda that complements departmental strengths in human-environment interaction. Apply: Dr. Mark Cowell, Chair, Physical Geography Search Committee, Department of Geography, University of Missouri, Columbia MO 65211. Email: mcowell@missouri.edu

Position #2: Geographic Information Science with supplemental strengths in Spatial Analysis. This is a jointly funded position between Department of Geography and the College of Engineering with a tenure home in geography. Candidates should be comfortable working across disciplines and teaching courses to students from both areas. Candidates are expected to have an active program of research and publication, ability to attract external funding, and evidence of commitment to teaching excellence. The appointees will primarily teach courses in GIS and should have an interdisciplinary research agenda that complements both the Department of Geography and College of Engineering. Apply: Dr. Gail S. Ludwig, Chair, GIS Search Committee, Department of Geography, University of Missouri, Columbia MO 65211. Email: ludwig@missouri.edu

The University of Missouri is an EO/AEE employer and Women and minorities are strongly encouraged to apply. For ADA accommodations, please contact our ADA Coordinator at (573) 884-7278 (V/TTY). More information on facilities and programs is available on our website at <http://www.geog.missouri.edu/>
